WORK HARD. BREATHE EASY.

- Remove Fumes
- Remove Slurry
- Remove deadly silica dust

COMPLETE PACKAGE

$5500+GST

GUARDA EDGE CUTTER

SLURRY INTERCEPTOR

VACUUM GENERATOR

Guarda's patented edge cutter removes the fumes, slurry and dust from cutting to a separator and connected to a vacuum. This virtually eliminates silica dust exposure and also enables cutting in confined spaces or indoors. For sites that demand containment of silica dust, this is the complete package to facilitate dustless cutting.

Makinex Hose2GO

Choice of TWO Scharf 16" Diamond Blades

What is the Makinex Hose2GO?
It's a Portable, constant pressure water supply system that delivers pressurised water for up to 30mins without the need of pumps or electronics. Charge by simply connecting to a garden hose and filling up. The water will pressurise the tank automatically. Now you're ready to go cut or drill.
No hoses, no pumps, just water where you need it.
