Hose	10M 3/8 R2
Lance	Vario Lance
Weight	45kg
Dimensions	620mm x 540mm x 580mm

Aussie Pumps AB30 Scud - 3000 PSI Pressure Washer

The AB30 makes no compromises on power for its compact design. The genuine Honda engine is mounted on a robust stainless steel 4 wheeled frame. The Italian Bertolini Triplex high speed pump pushes out 3000 PSI of pressure at 13 LPM, enough pressure for general site cleaning, washing tools or blowing off exposed aggregate.

An optional hose reel can be also be added for optimum hose management.
