Aussie Pumps AB40 Scud - 4000 PSI Pressure Washer

The Aussie Scud AB40 is a 4000PSI powerhouse. Mounted on a stainless steel frame with flat free tyres, the 13HP Honda engine and the Italian Bertolini pump work together to push out 4000 PSI at 13 litres per minute. The Dual lance features a twist grip flow control which can be easily adjusted on the fly.

The AB40 is ideal for cleaning tools, plant and equipment as well as cleaning down surfaces or blowing off exposed aggregate.
