RapidTool RT40A - Battery Operated Rebar Tie Gun

The RapidTool RT40 A is an incredibly high value, low cost battery operated rebar tie gun and can tie up to 40mm of rebar in just 0.6 seconds per tie. The RT40A now boasts a tighter tension tie with it's dual brushless motor technology and a lower tie height than it's predecessor the RT40. The unit comes with 2 x 18V 4.0AH Li-Ion batteries, charger, belt clip, 4 x Coils and a plastic carry case.
