### Aussie Pumps AB30 Scud - 3000 PSI Pressure Washer with Hose Reel

The AB30 makes no compromises on power for its compact design. The genuine Honda engine is mounted on a robust stainless steel 4 wheeled frame. The Italian Bertolini Triplex high speed pump pushes out 3000 PSI of pressure at 13 LPM, enough pressure for general site cleaning, washing tools or blowing off exposed aggregate.

The Hose reel carries the 10m hose conveniently on the unit so it is accessible at all times.
