Noise	107dBA

Husqvarna DM220 Core Drill

The DM220 is a handheld electric core drill for both dry and wet drilling. With an electronic positioning system for accurate drilling the DM220 is a perfect choice when you look for a drill motor with precision and efficiency. The ergonomically designed D-handle gives you good control whilst drilling.

Handheld core drilling up to 80 mm or drilling with stand up to 150 mm. Suitable for light applications such as ventilation, plumbing pipes, electrical sockets and cables. An excellent choice for professionals as well as semi-professionals.
