Diamond DC32WH - 32mm Electric Rebar Cutter

The Diamond DC32WH is a high quality, powerful rebar cutter for shearing up to 32mm rebar. Manufactured in Japan, the DC32WH is a Heavy duty professional grade cutter and will shear through 32mm rebar in under 12.0 seconds. The top handle style makes it easy to carry the unit safely around site and is best suited to large construction sites and small fabrication shops. If you're looking for a quality rebar cutting tool, look no further than the DC32WH.
