### Powerlite 4.5kVA Petrol Generator with Hire Pack

4000W Petrol Powerlite Generator, powered by a GX270 Honda engine with recoil start. Manufactured in Australia, the PH045 generator is mounted in a powder coated heavy duty compact roll frame. The Honda engine is paired with a Mecc Alte Alternator and is fitted with 1 x 10A and 1 x 15A outlet protected by an RCD.

Ideally suitable for portable electric tools, together with small machines, electric pump up to 1.1kW, lights and household appliances, provided that the total power consumption at any one time is less than 4000W.

The Hire Pack includes wheels and handles for easy transport around site.
