Tank Capacity	8.5L
Fuel Usage	4.8L/Hour
Weight	93kg
Outlets	2 x 15A
Dimensions (LxWxH)	825mm x 500mm x 570mm

### Powerlite 10.0kVA Petrol Generator with Hire Pack

8000W Petrol Powerlite Generator, powered by a 16hp Vanguard engine recoil start with RCD and 2 weatherproof socket outlets. Manufactured in Australia, the GPL10HP generator is mounted in a powder coated heavy duty wheel and handle frame. The Vanguard engine is paired with a Mecc Alte Alternator. This reliable generator fully complies to the Australian Standards and holds 8.5 litres of fuel and when being used at maximum power uses 4.8 litres of fuel per hour.

Ideally suitable for powering most electric tools, lights, heaters, small welders, air compressors and household appliances, provided that the total power consumption at any one time is less than 8,000W.
