## **Aussie Pumps Scud AB400 - 4000 PSI Pressure Washer**

The Aussie Scud AB400 features a 2:1 reduction gearbox between the pump and the engine which results in longer pump life and a slightly higher flow rate. The pump and engine are mounted on a stainless steel 4 wheeled trolley for easy transport around site. The Dual lance features a twist grip flow control which can be easily adjusted on the fly.

The AB400 can also be fitted with a bunch of accessories including: hose reel, electric start, turbo nozzles, foaming jet etc.
