Husqvarna DM230 Core Drill

The DM230 is a hand held electric core drill with pistol grip for greater control and ergonomics and is capable of drilling up to 80mm diameter holes hand held. When mounted to a stand, the DM230 is capable of coring holes up to 150mm in diameter.

Suitable for light applications such as ventilation, plumbing pipes and electrical sockets and cables. The DM230 is an excellent choice for professionals as well as general tradesmen.
