

Paving & Concrete Cleaner

DESCRIPTION

GuardIT Paving & Concrete Cleaner is heavy duty, water based degreaser and cleaner for removing industrial grease, oil, dirt and grime from masonry surfaces. Based on a revolutionary high performance soy solvent, Paving & Concrete cleaner is environmentally safe and highly effective.

FEATURES

- Powers through industrial grease and grime
- Non-Toxic, Non-Hazardous, Non-corrosive & Non Flamable
- Low foaming
- Readily Biodegradable
- User-friendly and safe
- Economical

APPLICATION INSTRUCTIONS

Dilute Paving & Concrete cleaner at a ratio of 1 part cleaner to 10 parts water. Dilution may be reduced if required for difficult areas.

Apply diluted cleaner to the affected area and agitate with a stiff brush or broom. Allow the cleaner to dwell on the surface for at least 3 mins before rinsing off with clean water, ideally with a high pressure cleaner.

Stubborn stains may require multiple applications.

DO NOT use on polished Marble, Travertine or Limestone

DISCLAIMER
