### Husqvarna PG450 Electric Floor Grinder

The Husqvarna PG450 is a versatile and user friendly planetary floor grinder perfect for a wide range of applications including; coating removal, concrete grinding and concrete polishing including Husqvarna HiPERFLOOR®.

With a 450mm grinding width, it is ideal for grinding medium to large concrete areas. It is ideal for rental and both professional and semi-professional use due to its many self-adjusting benefits and its single phase power requirement. The PG450 can easily be folded and divided, without tools, for transport and storage.
