### Allen Pro 36" Edging Trowel Machine

The Allen Pro 36" Edging Trowel machine is a heavy-duty, high quality machine built in the USA. The unique rotating ring allows edging right up close to walls and penetrations making the Allen 36" Pro edger the perfect partner to a larger ride-on trowel machine.

The combination of a reliable GX270 Honda engine, a heavy duty gear box and high quality construction makes this unit perfect for both panning and finishing large industrial warehouses and factories.
